

Adafruit\_SSD1306

```
graph BT; Screen[Screen] --> Adafruit_SSD1306[Adafruit_SSD1306]
```

The diagram illustrates an inheritance relationship. A light gray rectangular box at the top contains the text 'Adafruit\_SSD1306'. Below it, a darker gray rectangular box contains the text 'Screen'. A solid blue arrow points vertically from the top center of the 'Screen' box to the bottom center of the 'Adafruit\_SSD1306' box, indicating that 'Adafruit\_SSD1306' inherits from 'Screen'.
